Membership Categories:

- **Category A:** A member of this category actively participates in developing our ecosystem and takes part in transforming the national and international maritime sector. This member agrees to sign a framework collaboration agreement setting out the respective general expectations of the parties as well as the intent to pursue projects of common interest that are subsequently the subject of specific collaboration agreements. This category gives the right to vote at the general meeting and access all CI CMI services.

Also associated with this category is an organization that pays a sponsorship of \$25K or more.

- **Category B:** A member of this category strongly encourages the development of the ecosystem. It does not sign a framework agreement for collaboration. This category does not give a right to vote but benefits from access to certain CI CMI services.

Annual fee's schedule:

*Membership dues for Category A and B Membership will be assessed based on the commercial size and type of the organization as follows:

- | | |
|--------------------------|---|
| ☐ | • \$1,000 for organizations with less than ten employees |
